

RESULTANCE, specialist in organizational consulting and change management through process optimization, is an international firm based in Luxembourg, recognized for:

- ✓ Its culture of result,
- ✓ Its pragmatic approach,
- ✓ The strong involvement of its consultants,
- ✓ The development of privileged relationships with its customers (major accounts and SMEs).

We operate in a wide range of sectors: process industry (steel, chemical, glass, etc.), manufacturing, automotive, high-tech medical, retail, airline, banking and insurance, etc.

For over 18 years, our 80 consultants have developed many functional expertise: operational excellence and agility, supply chain optimization, business process management, operational efficiency, organizational transformation, purchase cost reduction, Activity Based Costing, Lean Manufacturing & Offices, digital transformation (industry 4.0), etc.

Our pragmatic approach, based on sectoral and functional expertise, is recognized by our clients who are faithful to us and provides opportunities for your professional development in Luxembourg, Belgium, France and internationally.

To cope with the development of our business, we are currently looking for:

Consultant trainee in Supply Chain (M/F)

Your mission

Integrated into a project team at the client, as a consultant trainee in Supply Chain, you will collaborate with our team to:

- ✓ Support our customers in improving their operational supply chain (from S&OP to scheduling, demand management, reduction of stock levels, quality of service, etc.),
- ✓ Facilitate the implementation of the company's strategy,
- ✓ Analyze key processes and propose solutions for simplification and improvement,
- ✓ Implement proposed solutions and changing attitudes,
- ✓ Become the privileged interlocutor of both the general management and the operational staff.

Your profile

We are mainly looking for trainee in master 2, specialization in supply chain for at least 4 months of traineeship:

- ✓ Motivated and flexible, you have already demonstrated your adaptability and autonomy,
- ✓ Rigor, humility, creativity, motivation and team spirit are essential qualities for success,
- ✓ You are fluent in French, both in oral and written communication combined with a good sense of formalization,
- ✓ You are proficient in English; knowledge of German or Luxembourgish is an asset,

We offer you

- ✓ Enriching and diverse experiences
- ✓ Coaching by experienced consultants
- ✓ Genuine career opportunities within a growing firm
